Accordingly, by their participation, attendance or involvement in any way in any competition run by the BOIDC.

- 1.3** Players agree to submit to the exclusive jurisdiction of any Code of Conduct Commissioner or Judiciary (as the case may be) convened under the Code of Conduct to hear and determine charges brought pursuant to the Code of Conduct.
- 1.4** For the avoidance of doubt, a reference to Judiciary Committee has the definition as set out in the Associations By-Laws and where validly appointed has the same jurisdiction, power and responsibility as the Code of Conduct Commissioner. Collectively, the Commissioner and Judiciary Committee are a ‘decision-maker’ as set out in these Procedures.

PART 2. OFFENCES

- 2.1** The conduct described in Schedule A and Schedule B, shall amount to an Offence under this Code of Conduct if committed by a Player or Official or other person bound by the Code of Conduct.
- 2.2** Guidance notes have been provided in the text boxes beneath the description of a particular offence. Such notes are intended only to provide guidance as to the nature and examples of certain conduct that might be prohibited by a particular Article and should not be read as an exhaustive or limiting list of conduct prohibited by such Article.
- 2.3** For the purposes of the Code of Conduct, the phrase “during a Match” or “during a match” should be interpreted broadly to cover all conduct which takes place at the ground on the day of a Match, and not just conduct which takes place on the field of play. It will therefore include conduct which takes place off the field of play at the ground on the day of the Match, and it may also include conduct that is incidental to, or connected to matters which transpired prior to, on the field of play, after the Match. Examples include conduct in the changing rooms, during any of the intervals in the Match, conduct at a location nearby the ground after play has concluded, dissent of an Umpire’s decision on social media.

3.2 All Reports must be notified to the Association within the timeframes set out in clause 3.4 and be in the form requested or they may be rejected. All Reports should be completed on the Code of Conduct Report Form (or such other form as may be made available for such purpose by the BOIDC from time to time). All Reports must be signed and dated by the person lodging the Report.

3.3 A Report may be withdrawn at any time before a hearing by the Reporting Person.

3.4 The following will apply to the lodgement of all Reports.

Classification of Offence	Reporting Deadline
On field offences	By 6pm Monday immediately following the close of the day's play in that Match or within 48 hours of becoming aware of the Offence

- (a) The Commissioner may, in their absolute discretion accept a report outside of the timeframes set out at extenuating circumstances. See clause (b)).
- (b) The Commisisoner may, at their sole and absolute discretion, vary, amend or waive compliance with a procedural step (or timing) referred to in this Code if they take the view that non-compliance does not adversely affect the Reported Person.

PART 4. INITIAL REVIEW AND NOTIFICATION PROCEDURE

Initial Review

4.1 All Reports will go through an initial review by the Commissioner who will determine whether the Reported Person named in the Report has a case to answer in relation to the matters identified in the Report and, if so, determine the type and/or level of offence is. As part of that review, the Commissioner may, in their absolute discretion, seek further evidence as part of the initial review including:

- (a) notifying the Person Reported and/or asking further questions of them;
- (b) requesting further information from the Reporting Person, other witnesses and/or the relevant Club or Association; and/or
- (c) making such other inquiries as appropriate in the circumstances.

4.2 The Code of Conduct Commissioner may choose to deal with the Reported Person's Club in addition to contacting the Reported Person. Any information that may be provided by that Club in respect of the Reported Person may be considered by the Commissioner at their discretion. It is the Reported Person's Club that is responsible for passing on all information to the Reported Person. The Commissioner may contact the Reported Person to discuss the

report, seek information relevant to the charge, and may make further enquiries as deemed appropriate for further examination.

4.3 Following the initial review, the Commissioner may:

- (a) determine that there is no case to answer and take no action against the Person Reported; or
- (b) issue a Notice of Charge against the Person Reported or any other person in accordance with these Procedures; or
- (c) refer the matter to a hearing in accordance with these Procedures; or
- (d) refer the matter to be managed under a different process in accordance with the Association's Constitution and/or By-Laws.

4.4 For the purpose of clause 4.3(d), the matter may be brought back to be managed under these Procedures if the circumstances of the case require it.

4.5 If the initial review of the Report reveals that there is no case to answer in relation to the specific type and/or level of offence, then the Code of Conduct Commissioner shall notify the Reporting Person's Club or Body, who will inform the person who filed the Report of that fact, advising them of the reasons that such a determination has been made and, where applicable, providing guidance on which specific type and level of offence considers to be appropriate.

Notice of Charge

4.6 For Level 1 and/or Level 2 Offences only, the Notice of Charge shall specify that the Reported Person shall have the following options;

- (a) they may admit the offence charged and accept the proposed sanction specified in the Notice of Charge (which sanction shall be strictly at the Commissioner's discretion, but at all times within the appropriate range for the level of offence), provided that the admission is received by the Commissioner prior to the time specified for the hearing:
- (b) they may admit the offence charged and dispute the proposed sanction specified in the Notice of Charge, in which case the matter will proceed to a hearing in accordance with Part 5. A Judiciary hearing shall only be required to determine any sanction that may be imposed.
- (c) they may deny the offence charged, in which case the matter will proceed to a hearing in accordance with clause 5.1.

4.7 For Level 3 and/or Level 4 Offences, or other matters referred directly to the Judiciary, the Notice of Charge shall specify that the Reported Person shall have the following options:

- (a) they may admit the offence charged in the Notice of Charge. In such circumstances, and provided that such admission has been received by the prior to the commencement of the hearing at the time/place specified in the Notice of Charge, the hearing before the Judiciary shall only be required to determine any sanction that may be imposed.
- (b) they may deny the offence charged, in which case the matter shall proceed to a hearing in accordance with clause 5.1.

4.8 The Notice of Charge shall specify the time (normally 6pm Thursday) and the place for the Judiciary hearing, should it be required.

- 4.9** The Notice of Charge and a copy of the Report shall be provided to the following individuals:
- (a) The Reported Person (via the Person’s Club if appropriate); and

- 4.11** For the avoidance of doubt, if the Reported Person has not accepted the proposed sanction (refer 4.6(a) above) by 8pm Wednesday, the matter will proceed to a Judiciary hearing.
- 4.12** Should the Reported Person admit the offence and accept the proposed sanction, the Commissioner will then announce the final decision directly to the Reported Person and shall provide a written decision to the Secretary of the BOIDC, who shall inform the Reported Persons Club or Body, the Chairman of the BOIDC and the Secretary of the Mitchell Cricket Umpires Association, if the Reporting Person was an umpire.

PART 5. THE DISCIPLINARY PROCEDURE

- 5.1** A Reported Person cannot attempt to negotiate, bargain or otherwise seek to reduce the imposed sanction in relation to any alleged offence committed under this Code of Conduct.
- 5.2** The Judiciary will conduct the hearing in private with as little formality and technicality; and as quick as possible, subject to proper consideration of the Report being permitted.
- 5.3** The procedure followed at the hearing shall be at the discretion of the Judiciary, provided that the hearing is conducted in a manner which offers the Reported Person a fair and reasonable opportunity to present their case.
- 5.4** Unless exceptional circumstances apply, each of the following individuals must attend any hearing before the Judiciary:
- (a) the Reported Person who has been charged with the alleged offence; and
 - (b) the Reporting Person who lodged the Report (refer also 5.6 below).
Where any such individual has a compelling justification for his/her nonattendance that is accepted by the Judiciary in their absolute discretion, then they shall be given the opportunity to participate in the hearing before the Judiciary by telephone (if available).
- 5.5** Without prejudice to the Reported Person’s ability to call and to question such witnesses as may be necessary, one representative of the Club or Body that the Reported Person represents may also attend such a hearing to provide additional support and assistance to the Reported Person.
- 5.6** A Reporting Person who is an umpire:
- (a) need not attend a Judiciary hearing where the Reported Person has admitted the offence and the Judiciary hearing is only required to determine the sanction that may be imposed, in accordance with clauses 4.6(b) and 4.7(a), and

- (b) shall always have the option to participate in the hearing before the Judiciary by telephone or video conference (if available).
- 5.7** A Reported Person who appears before the Judiciary Committee shall not be entitled to legal representation or representation by any other person unless the Judiciary Committee, in its sole discretion, is of the belief that such representation would assist the orderly conduct of the proceedings.
- 5.8** The non-attendance of any Reported Person or his/her representative at the hearing shall not prevent the Judiciary from proceeding with the hearing in his/her absence and issuing a ruling in relation to the offence charged.
- 5.9** At the end of a hearing, where the Judiciary considers that further evidence is necessary or further time is required to consider the evidence that has been presented, they shall adjourn the hearing for an appropriate period of time and make such directions as may be necessary.
- 5.10** As soon as possible after the conclusion of the hearing, the Judiciary will confirm the decision in writing, with reasons, setting out:
- (a) what sanctions, if any, are to be imposed (including any fine and/or period of suspension);
 - (b) the date that any period of suspension shall come into force and effect; and
 - (c) any rights of appeal that may exist pursuant to clause 8.
- 5.11** Notwithstanding 5.10, the Judiciary shall have the discretion to announce the substance of their decision prior to the issue of the written decision referred to in clause 5.10.
- 5.12** A copy of the written decision will be provided by the BOIDC Secretary to:
- (a) the Reported Person (via their Club or Representative Body), and
 - (b) the Secretary of the Reported Person's local Cricket Association, and
 - (c) the Reporting Person, and
 - (d) the Mitchell Cricket Umpires Association, if the Reporting Person was an Umpire, and
 - (e) the Chairman of the BOIDC.
- 5.13** Subject only to the rights of appeal under clause 8, the Judiciary's decision shall be the full, final and complete disposition of the matter and will be binding on all parties.
- 5.14** Notwithstanding anything else in the Code of Conduct, where a Reported Person is alleged to have committed a Level 2 Offence and wishes to have the offence with which they have been charged referred to a hearing (as would be permitted pursuant to clauses 4.6(b) and 4.6(c)) and the Reported Person or another Player or Other Person is alleged to have committed a Level 3 Offence or Level 4 Offence arising from the same incident or same set of facts, the Commissioner must refer the Level 2 Offence to the Judiciary for adjudication, but as a Level 2 Offence.

General Principles of Procedure

- 5.15** Where a Report is filed by more than one of the individuals described in clause 3.1 in relation to the same alleged offence under the Code of Conduct, then the Reported Person alleged to have committed the offence will only be served with one Report in accordance with the procedures set out in clause 4. However, all persons who filed a Report in relation to the

alleged offence are required to attend the hearing before the Judiciary unless there is a compelling justification for his/her non-attendance, in which case they shall be given the opportunity to participate in the hearing by telephone (if available). Refer also clause 5.4 and clause 5.6.

- 5.16** Where two or more Reported Persons are alleged to have committed offences under the Code of Conduct, they may both be dealt with at the same hearing where the proceedings arise out of the same incident or set of facts, or where there is a clear link between separate incidents.
- 5.17** Where a Reported Person is alleged to have committed more than one breach of the Code of Conduct during, or in relation to the same Match, then all of the alleged offences may be dealt with at the same hearing.
- 5.18** Any failure or refusal by any Reported Person to provide assistance to a Commissioner or Judiciary in connection with any charge made pursuant to this Code of Conduct may constitute a separate offence (depending upon the seriousness and context of such failure or refusal).
- 5.19** Where a Judiciary member is, or becomes unwilling or unable to hear a Report, then the Chairman of the local Cricket Association shall have the discretion to appoint another Judiciary member to hear the Report as the Association deems to be appropriate in all the circumstances.
- 5.20** A decision-maker has an absolute discretion to waive compliance with any procedural requirement of this Code of Conduct provided that no party will suffer any undue prejudice through such exercise of discretion.

PART 6. STANDARD OF PROOF AND EVIDENCE

- 6.1** Unless otherwise described herein, the standard of proof in all cases brought under the Code of Conduct shall be whether the decision-maker is comfortably satisfied, bearing in mind the seriousness of the allegation that is made, that the alleged offence has been committed.
- 6.2** The decision-maker shall not be bound by the rules of evidence. Instead, facts relating to an offence allegedly committed under the Code of Conduct may be established by any reliable means, including admissions.
- 6.3** The decision-maker may draw an inference adverse to the Reported Person based on their refusal, without extenuating circumstances, to appear at the hearing and/or to answer any relevant questions.

PART 7. SANCTIONS ON REPORTED PERSONS

- 7.1** Where the decision-maker determines that an offence under the Code of Conduct has been committed, they must impose a sanction on the Reported Person.
- 7.2** Sanctions will be imposed using the prescribed penalties set out at Schedule A for General Offences and Schedule B for Serious Offences, or as otherwise provided in these Procedures.
- 7.3** A Reported Person who has previously been found guilty of the same offence (irrespective of Level) within the relevant Prescribed Period will attract the range of permissible sanctions in

the relevant Schedule as relevant to the number of such prior offences. Otherwise, the Level of the Sanction is imposed at the discretion of the decision-maker.

7.4 Other than as prescribed in this Part the decision-maker may take into account any other factors that they deem relevant and appropriate to the mitigation or aggravation of the nature of the Code of Conduct offence before determining, in accordance with the table below, the appropriate sanction(s). Those factors may include:

- (a) The seriousness of the breach;
- (b) The harm caused by the breach to the interests of cricket;
- (c) The Reported Person's seniority and standing in the game;
- (d) Any remorse shown by the Reported Person and the prospect of further breaches;
- (e) The prior record of the Reported Person in abiding by this Code of Conduct.

Interpretive matters when imposing suspensions

7.5 A warning can only be applied to a first occurrence of a Level 1 General Offence and cannot be applied to the same person again for any offence for the following three (3) years. A warning means that the relevant offence has been proven, however it is determined no further sanction be applied and no entry made into PlayHQ. A warning does not count as a first offence should the relevant person be subject to any other offence within the Prescribed Period.

7.6 For the purpose of determining suspension periods for a Reported Person:

- (a) The suspension must be served as soon as practicable and cannot be delayed;
- (b) Where the Reported Person has a suspension imposed while participating in a Match which has not been completed at the time the sanction is imposed, the Commissioner has discretion whether the Reported Person is able to play the rest of that Match and/or whether the sanction applies following the completion of the Match;
- (c) Where a prescribed penalty provides for a suspension of Match(es), then an alternate sanction may be imposed for a fixed period of time measured in weeks equivalent to the relevant number of Match(es) or range of Matches; or any combination of Match(es) or a fixed period of time provided the maximum suspension imposed does not exceed that stated in Schedules A and/or B;
- (d) Where an offence is committed by an adult towards, in the presence of or visible to, any children or young people under 18 years, then a one (1) Level loading may be applied in the decision-maker's discretion, after the offence and level is determined in a particular case and the prescribed penalties for the higher level will apply;
- (e) the imposition of sanctions apply equally to round Match(es) and finals as the case may be and it shall not be relevant that the next Match in which the Reported Person is eligible to play is a final; and
- (f) the interpretative provisions regarding Suspended Players as set out in the Association's By-laws will apply.

7.7 For the avoidance of any doubt, where a decision-maker imposes a period of suspension on a Reported Person, then for:

- (a) A suspension of matches, the suspension should read "You are suspended from playing for 'number of' matches which will be until 'day and date', or

- (b) A suspension for a fixed period, the suspension should read “You are suspended from playing until ‘day and date’ ”.
- (c) Once a suspension has expired, the Reported Person will automatically become re-eligible to participate in Matches.

7.8 If a player is suspended for a match or a number of matches:

- (a) The suspension applies to each day of the match; and
- (b) The suspension applies to the number of matches which have been scheduled by the BOIDC; and
- (c) Should a match not be played due to weather or other reason beyond the control of the Reported Person, the match shall still be counted as being served according to the sanction originally given.
- (d) The suspension includes all other matches the player could otherwise have played during the period of the suspension, including representative matches and ODCA Bonnor Cup matches.

7.9 No replacement player or substitute is allowed for any player who is suspended during the course of a match. However, a substitute fielder is permitted.

Effects of Sanctions Imposed

7.10 During any period of suspension, the Reported Person must not play, coach or otherwise participate or be involved in any capacity in any matches which take place during the period of his/her suspension.

Note: For the avoidance of any doubt, a suspended player:

- (a) must not be nominated as, or carry out any of the duties or responsibilities of, a substitute fielder;
- (b) may not enter any part of the playing area (which includes the field of play and the area between the boundary and any fence around the playing area) at any time, including any scheduled or unscheduled breaks in play; and
- (c) may not be selected or nominated in any grade or team under the auspices of the BOIDC, BDCA or ODCA.

7.11 For the avoidance of any doubt:

- (a) Other than when imposing a sanction for a finding on a breach of Article B.3 against a Team, the decision-maker has no jurisdiction to adjust, reverse or amend the result of any Match;
- (b) where a Reported Person is found guilty of committing two separate Code of Conduct offences that do not relate to the same incident or set of circumstances arising during a Match and sanctioned separately for each offence, then any sanctions should run cumulatively (and not concurrently);
- (c) where a Reported Person is found guilty of committing two Code of Conduct offences in relation to the same incident or set of circumstances arising during a Match and sanctioned separately, then any sanctions imposed should run concurrently (and not cumulatively);
- (d) where the decision-maker finds a Reported Person not guilty of the offence allegedly committed under the Code of Conduct, then it remains open to them, at their absolute discretion, to find the Reported Person guilty of an offence of a lower level

than that with which he/she has been charged.

- (e) where a fine is imposed against a Reported Person it will ONLY for the purposes of compensating for damages, then such fine must be paid by the Reported Person to the local Cricket Association within thirty (30) days of receipt of the decision imposing the fine.

However, the local Cricket Association will consider any request from the Reported Person to make the payment of such fines and/or costs over a prolonged period of time solely in its absolute discretion and on the grounds of financial hardship. Should any fine and/or costs award (or agreed part-payment or instalment thereof) not be paid to the local Cricket Association within such deadline or by the time of the next agreed payment date, the Reported Person may not play, coach or otherwise participate or be involved in any capacity in any Match until such payment has been satisfied in full.

PART 8. APPEALS

8.1 Subject to clauses 8.2 and 8.4, an appeal from a decision made under PART 5 and/or PART 7 of these Procedures can be lodged by:

- (a) the Reported Person; or
- (b) the Reporting Person; or
- (c) in the case of a Level 3 or a Level 4 General Offence or a Serious Offence, the BOIDC Chairman (or his/her designee).

8.2 There is no right of appeal against:

- (a) any Commissioner decision to take no action under clause 4.3 hereof or clause 6.4(b) of the BOIDC By-Laws.
- (b) any Commissioner decision to refer a matter straight to the Judiciary.
- (c) the decision of a Reported Person to admit the offence charged and accept the proposed sanction.

8.3 All appeals shall be lodged with the BOIDC Secretary, as follows:

Level 1	Within 48 hours of notification of the original decision
Level 2	
Level 3	Within 7 days of notification of the original decision
Level 4	

***Note:** For the avoidance of doubt, the right of appeal will be determined by reference to the level of offence which the decision of the Commissioner or the Judiciary Committee (as applicable) relates to, and not the level of offence originally reported.

8.4 Appeals are limited to the following grounds:

- (a) denial of procedural fairness;

- (b) that the sanction imposed is inconsistent with the Code of Conduct Procedures and/or is disproportionate (whether excessive or insufficient) to the established breach; and/or
 - (c) that no reasonable decision-maker in the position of the original decision-maker based on the material before them, could have made such a decision.
- 8.5** For all appeals lodged, the original decision remains in effect throughout the duration of the appeal process until a decision is made by the Appeals Committee.

Appeals Committee

- 8.6** All appeals will be heard by the Appeals Committee. The BOIDC Chairman shall, as soon as is practicable, and within 72 hours of receiving an Appeals Notice, appoint an Appeals Committee to consider the appeal. The Appeals Committee shall consist of at least 3 members of the BOIDC Committee, each of whom shall not have been part of the Judiciary for the matter being appealed.
- 8.7** If the Appeals Committee determines that there are no grounds for appeal, the Appeals Committee shall notify the BOIDC Secretary who shall promptly notify the appealing party of the reason for such decision.
- 8.8** Appeals hearings pursuant to this clause 8.3 should be completed expeditiously. Save where all parties agree or fairness requires otherwise, the appeal hearing shall be commenced no later than seven (7) days after the appointment of the Appeals Committee.
- 8.9** It shall be open to the Appeals Committee, in their absolute discretion, to determine what the matter (or any part thereof) be dealt with by way of written submissions only. In making such determination, the Appeals Committee must provide the appealing party the opportunity to be heard in respect of any written submissions.
- 8.10** The Appeals Committee has an absolute discretion to waive compliance with any procedural requirement of this Code of Conduct provided that no party will suffer any undue prejudice through such exercise of discretion.
- 8.11** The Appeals Committee, after considering the appeal, may confirm, amend or overturn the decision of the Judiciary Committee.
- 8.12** The Appeals Committee may reduce, increase, or otherwise vary any Sanction imposed by the Judiciary within the range of permissible sanctions for that Offence/s.
- 8.13** The Appeals Committee has discretion to order the refund of the Appeal fee and shall do so where the Appeal is upheld, or the Sanction is reduced.
- 8.14** There will be no further appeal rights available.

PART 9. CODE OF CONDUCT REGISTER

- 9.1** The Commissioner must:
- (a) retain a register of all Reports for a period of at least 3 years covering;
 - (i) All Reports laid
 - (ii) All Reports and sanctions accepted by Reported persons

(iii) All Commissioner and Judiciary findings / decisions

(b) provide the Judiciary with a copy of the Code of Conduct Register (covering previous Reports and decisions as per 9.1 above). The register is to be available to the Judiciary Committee for the purpose of assisting it in fixing any penalty for a breach of the Code of Conduct.

9.2 The register will be made publicly available on the Association's website save and except for any personal information that identifies a child or young person under the age of 18 years.

9.3 The Commissioner and Judiciary Committee may also have regard to any other publicly available register in fixing any penalty for a breach in accordance with these Procedures.
