CHAIRMANS REPORT

This season marked the 20th BOIDC season and the fifth since the reformation of the competition.

We started the season with 8 teams after ORC announced that they wouldn't be entering a side. Whilst that did eliminate the bye, we were still sorry to lose them. And that then became seven teams when Centrals withdrew after the 4th round.

Out on the field we had one of the closest and most competitive seasons on record. To the delight of all, especially the Bathurst club's, the Bathurst Sportsground was back in use this season.

Our cricket seemed to revert back to a more normal situation of only a handful of outright results, after the unusually high number of outright results in the season before. Bathurst City grabbed one of two outright wins in the second last round to keep themselves in the hunt for a place in the top 4. St Pats Old Boys grabbed the other in the final round to secure third place.

Cavaliers came up trumps in the match that mattered most, defeating St Pats Old Boys in another close and hard fought grand final, and going back to back in the process. Cavaliers were also crowned one day champions, after finishing on top of the one day points table.

It was definitely more of a season for the bowlers, with 19 five wicket hauls and only 9 centuries scored across the season. One of those centuries, Joey Coughlans 250 not out, in the highest in the history of this competition, and you can have a look at those who made it closest in the competition records section, which is included at the back of this document.

Thank you to everyone who has made this season possible. Firstly thank you to the Committee of Management. Your support during the season helps make everything run so smoothly. Thank you to the Orange District Cricket Association and the Bathurst District Cricket Association and their members. Without you, this Association wouldn't exist. Thank you to everyone involved with the clubs especially those who help to put a team on the field each week. Thank you also to everyone who prepares the grounds that we use, especially the staff at Orange City Council, at Bathurst Regional Council and the volunteers at City Colts.

And last, but not least thank you to all of the umpires who have stood in our matches during the season.

The new season will be upon us before we know it and I very much look forward to the season ahead.

Mark Frecklington

Chairman

First grade exodus forces ORC to pull pin on their BOIDC campaign

By Alexander Grant

A BRIEF but exciting spell in the Bathurst Orange Inter District Cricket competition has, for now, come to an end for the ORC Cricket Club after they recently announced their withdrawal for the upcoming season.

With a large number of players either leaving Bathurst or stepping away from the game to spend more time with their families the club were left with no choice but to step back for 2023-24, leaving the BOIDC to run as an eight-team competition.

During ORC's 2020-21 Bathurst District Cricket Association second grade finals campaign the team announced their intentions to make a return to the region's top flight competition for the following year.

The Tigers' pair of BOIDC campaigns were fuelled by an exciting core of junior talents who on each occasion got the club within a whisker of playing finals cricket.

But now much of that group are unable to stay together for one more campaign, and ORC couldn't bring in new recruits or bring enough people up from second grade to fill the void. Hugh Parsons, Ben Cant, Hamish Siegert, Alex Kinghorne and Ricky Webb are among those who weren't available for another season with the team. Then both Dave and Wayne Sellers couldn't fully commit to another season of first grade cricket.

Dave Sellers said it was tough to see the club forced to make the move. "It's definitely disappointing. We had a good bunch of kids all around the same age who were coming through, we won the second grade comp and then gained a few extras like Ben Cant, Hugh Parsons and Hamish Siegert," he said.

"It's just that a lot of them have gone on to bigger and better things. A lot of them are away at uni now - there would be around five of them who have moved for that reason."

Sellers said the club left things as late as they could to see if they could get their numbers up to scratch. "When we looked at the numbers there were probably six or seven who could definitely play, and I think that we may have been able to get to 11, but if we had people unavailable then we'd have to start forfeiting matches," he said.

"Wayne just had a baby so he's not going to play. I've played footy all year but I'll play a couple of games of second grade to help out if we're short. "I would have played for sure if we had a first grade team but it'll be good to give some time back to the kids."

It remains to be seen if any players going around again this season will switch clubs to continue playing in the BOIDC.

"Jacob [Ryan] and Tait [Borgstahl] were playing rep cricket so it's likely that they'll look for other clubs, but I'm not too sure," Sellers said.

"I would encourage them all to play the best level of cricket that they can. It's possible that Tait and Justin [Stephenson] might play second grade but I can't be sure what they'll be doing. "I know a couple are having chats with a few other clubs."

Centrals Cricket Club pull out of BOIDC mid-way through 2023-24 season

By Riley Krause

Centrals have pulled the pin on their Bathurst and Orange Inter District Cricket campaign mid-way through the season.

The club's first grade side had not tasted victory in the competition since March 5, 2022 - a total of 16 completed games spanning across three different seasons.

BOIDC and Orange District Cricket Association president Mark Frecklington was informed of the news on Sunday, a day after Centrals' five wicket loss to Bathurst City.

First grade captain Adam Shepherd indicated a lack of interest in the two-day format was a factor in the decision and that the club was dealing with the matter internally.

Frecklington confirmed the red and blacks would be dropping back down to second grade, rather than folding the team altogether.

This means there will now be a bye in the BOIDC competition and the rules will be the same as when Centennials Bulls pulled out mid-way through the 2022-23 season.

The ODCA second grade competition, which previously had five sides, will no longer have a bye. It is expected Centrals will take on Wanderers on November 25, barring any wet weather.

What is yet to be determined is how many points Centrals - who were second last with four points in the BOIDC - would have when they entered the second grade competition.

"I've not been in this situation ever," Frecklington said. "So the committee is going to take a bit of time to think about it and have a chat and work out how that works. There's been no discussion yet about how that will work."

The president added one issue they now faced was not all second grade teams had the same number of byes after seven rounds. "It's just negotiating what the right outcome is and I don't know what the answer to that is just yet," Frecklington added.

This marks the third successive season where at least one club has either pulled out of the BOIDC during or just prior to the season, following Kinross' exit ahead of the 2021-22 campaign and ORC prior to the current season.

With just seven teams left to compete, Frecklington was asked if he feared for the future of the BOIDC.

"It's not ideal," he said. "I think everyone else is okay, I certainly don't think it's under threat and I think we do need that competition. Without it, both towns would have weaker first grade competitions.

"It's just about trying to make a good standard of first grade cricket. I don't see it disappearing in the near future."

'Lost for words': Buckley takes five in nail-biting grand final

By Dominic Unwin

Cavaliers has won back-to-back Bathurst Orange Inter District Cricket (BOIDC) premierships in a thrilling match against St Pat's Old Boys.

Bowled out for 167 after a wet first day, Cavs took to a sunny Wade Park on Sunday, March 24 and proceeded to bowl Saints out for 152 just before 5pm. The man responsible for most of the damage was Kyle Buckley, who took 5-53 including the crucial wicket of Percy Raveneau who had dug in alongside Derryn Clayton to edge Pat's closer and closer to victory.

Player of the match Buckley said the game was on a knife-edge over the two days. "They don't get much tighter than that I think," he said. "It could have gone either way I reckon. I'm a bit lost for words. "It was a massive effort for us to get back up after not posting anywhere near as many runs as what we would have liked to.

Kyle Buckley reacts to a close call from his bowling. Picture by Carla Freedman

"I don't think we ever felt like we were on top of the game at any stage. "I wouldn't say we were the better team for a long period of time today, but we sort of stuck to it and we got the result."

Tension evident in up and down decider

Things hadn't looked good for the men in maroon on Saturday. John Warrington and Cameron Laird were bowled for ducks while Matt Corben departed for just nine and Bailey Ferguson 12.

Hugh Middleton (35), Tom Blowes (43) and Charlie Greer (28 not out) steadied the ship and got them to what turned out to be enough.

Buckley was full of praise for Blowes in particular. "I think the man of the match probably should have gone to young Tommy Blowes if I'm completely honest with you," he said. "I thought his 40 odd in that first innings when we were in real trouble got us to a total that was defendable.

"I don't necessarily think I took the game apart with my ability but it seemed to fall my way. It was a real team effort, which is what wins premierships. "Honestly, at 30 I'm enjoying my cricket more

than I ever had these last couple of seasons, it's just a great team. "I hope that we can keep this together for a long period of time."

Hugh Parsons was the star for Saints, taking 6-66.

The rest of the stats

Ball in hand, Cavs got off to a good start, getting rid of Bailey Brien (17), Andrew Brown (3), Adam Ryan (22) and Parsons (5) to severely damage Pat's chances of a win.

Clayton and Raveneau put on an epic partnership to take the Bathurst side to within 40 of victory when Buckley struck - the ball flying into the hands of an acrobatic Corben.

Cavs celebrated with palpable relief as they put one hand on the trophy, which would shortly be permanently in their grip as the tail was mopped up.
